CLAY HIGH SCHOOL

Little by little, one at a time, the days soon add up to a year. This year; 1968-1969. It is a unique year, one containing moments of rebellion, self-control, and social adjustment.

The outside world is experiencing fantastic changes, both good and bad. This is the year of the love child and his ideals. This is the year of achievement when three astronauts orbitted the moon, and the Paris Peace talks made for better understanding. This is the year of great advancement with the dreamed of heart transplants finally becoming reality. But this is also a year of misunderstanding when two of our greatest peace workers were murdered and when the Vietnam war was at its peak.

While all of these events are being remembered by the world, there are also memories being produced in the minds of Clay students. After this year is completed we will see in our minds the confused halls and somewhat orderly classrooms. We will reflect those moments of victory and defeat. We will repeat the early morning saying of the Lord's Prayer and the Pledge of Allegiance. We may find ourselves longing for the chance to "fool" our teachers by sneaking through the day wearing culottes or sideburns. We will remember all of these things and more, but most of all we will remember each other.

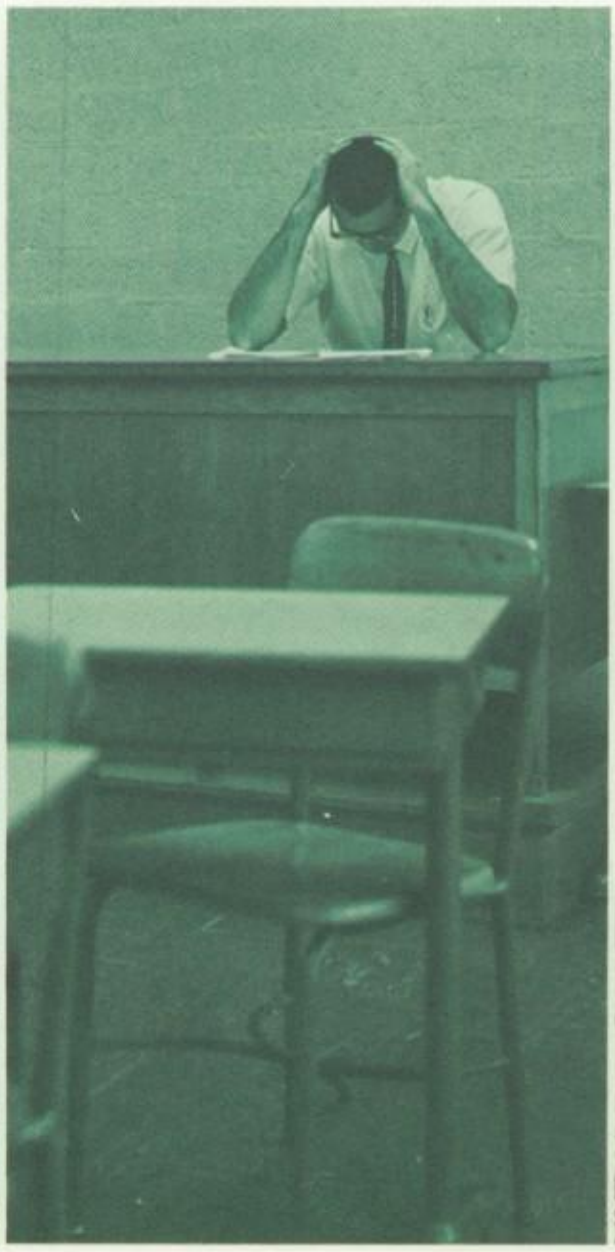
TEACHER PEOPLE



Clay High Faculty Members Have Variety of Outside Activities and Interests

Clay faculty interests are many and diversified. Their hobbies range from analyzing handwriting to hunting mushrooms in the cemetery. Their pastimes are anything from seances to studying psychology. Most of our faculty members are very sports-minded. Their sports include golfing, fishing, sailing, hiking, camping, and shooting pool.

Our teachers have pet peeves, too. These vary from person to person, with some teachers not having any at all. Among these pet peeves are gum chewing, sloppy assignments, complainers, and egotistical people.

Our faculty have attended a variety of colleges from the Atlantic to the Pacific. We have teachers who have attended Purdue, Ball State, Heidelberg, Bowling Green, Toledo University, Wittenberg University, Eastern Michigan, Northwestern, University of Michigan, and others.

ACTIVE PEOPLE

French Club Sends Usable Articles To Orphans In Thailand

A very active organization, the French Club sponsored a candy sale before Thanksgiving. All of the candy, which was homemade by the club members, was sold during the lunch periods to students who wanted to treat their sweet tooth.

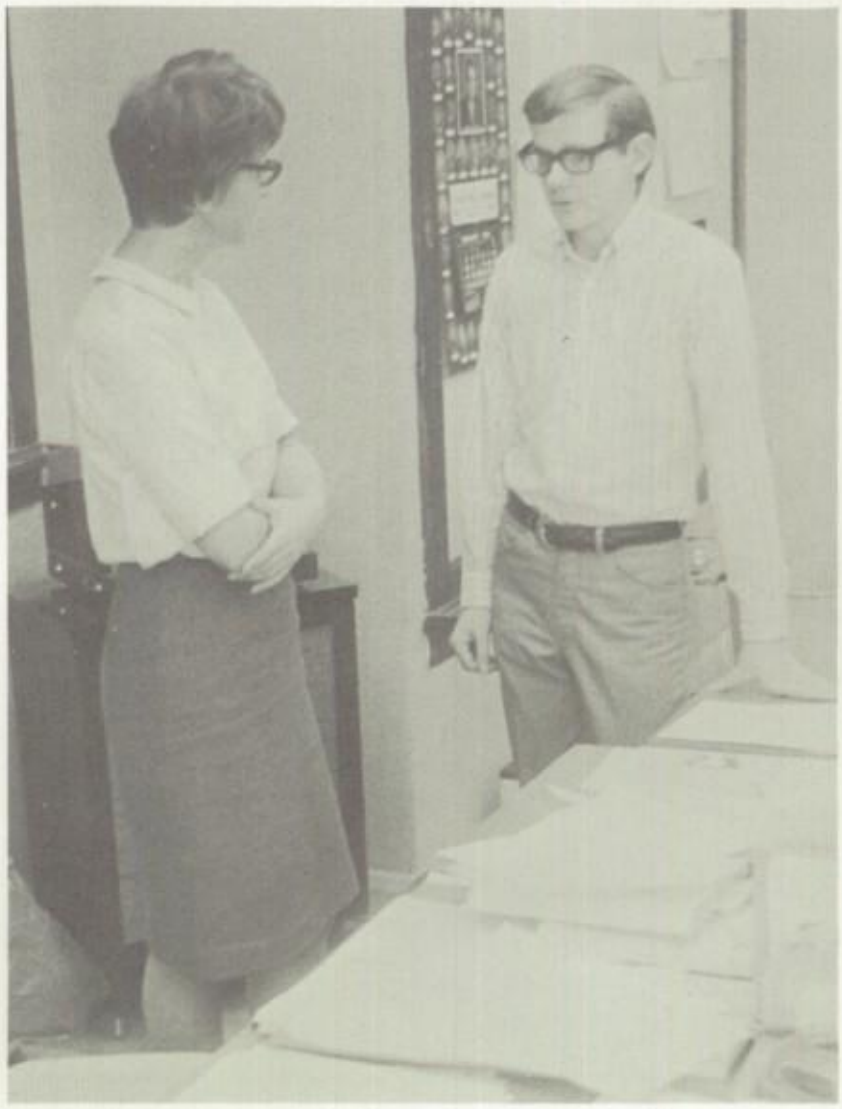
By sending used clothing and other needed supplies, such as cotton and pins, to young orphans in Thailand, the club made the Christmas season more enjoyable to the children. Three pictures of the pre-school children who received the gifts were sent to the club.

In spring the club held a flea-market, which was a puppet sale. Made by the members, the puppets were constructed from used odds and ends.

The club also gave a one-hundred dollar scholarship to one of the graduating French Club members. The recipient of the scholarship was chosen by the Administration.

FIRST ROW—Karin Whisler, Debbie Frey, Jacque Long, Diane Wilbarger, Jenny Squires, Debbie Warnke. **SECOND ROW**—Bob Perry, Chris Connelly, Sandy Mikesell, Janice Below, Mrs. Skinta.

Miss Rutgers and Jacque Long display one of the puppets made by French Club members.



Adviser Mrs. Skinta and president Mike O'Brien discuss future plans for Flea Market.

F.H.A. Entertains Kindergarteners

FRONT ROW—Jane Ankney, Brenda Thompson, Darlene Warnke, Diane Warnke, Pat Millen, Kathy Alex.
SECOND ROW—Angie McCarthy, Barb Seger, Sharon Cousino, Cheryl Cooper, Jeannie Owens, Debbie Hammon, Billie Powers, Mrs. Terwilliger, adviser.

The main objective of the Future Homemakers of America club is to aid others and to promote homemaking skills. This year the F.H.A. sponsored several service projects, such as a Thanksgiving party for the kindergarten and a Valentine's Day party at the Lutheran Old Folk's Home. Another project that the F.H.A. executed was the making of bandages for the Cancer Society. The club was represented at the state F.H.A. convention by Darlene Warnke, Donna Haskins, Barb Seger, Sharon Cousino, and Jane Ackney.

Mrs. Terwilliger, Mrs. Fetterman, Pat Millen, Jane Ankney, Sharon Cousino, and Diane Warnke discuss plans for future meetings.

A guest speaker, Mrs. Betty Fetterman, distributes questionnaires to club members.

Paul Fizer, Barb Stevens, and Patti Baker served as guides at the October Conference Day.

FTA Float

Wins Prize

With the aid of a new adviser, Mr. Richard Tangeman, the Future Teachers of America club remained active all year. The FTA entered a float in the Oregon Day Parade and won first place. Members attended Metropolitan Future Teachers of America meetings at other high schools in Toledo and were hosts to area clubs in December. To help boost school spirit, the club sold spirit ribbons during basketball season.

Besides observing in the elementary building to gain practical experience in the classroom, F.T.A. members also graded papers here at Clay and assisted teachers in other ways.

FDA Donates Tooth Brushes For Christmas

Twelve senior girls were enrolled in the Dental Assistant Vocational Class, and twelve sophomores and juniors, who wish to enrich their background as Dental Assistants, attended meetings. They met every second Wednesday of the month and at their meetings the F.D.A. had speakers who spoke on some topic that would make each girl a better person.

During the Christmas season they donated toothbrushes and toothpaste to needy families.

In the spring the seniors received 8 weeks of practical training, without remuneration, in dentists' offices. Upon completing this training they held a banquet and invited their employers to attend.

These students not only participated in programs, but they also trained for positions in the A Cappella Choir. Before being eligible to join the choir, students had to be in Glee Club at least one school semester.

Mechanics

Correct

Maladies

By cleaning radiators, changing spark-plugs, and recharging batteries, the boys in the Auto Mechanics Club gain more knowledge about the upkeep of a car. Junior and senior boys enrolled in the two year auto shop program compose the Auto Mechanics Club. This club is under state jurisdiction with its main office in Columbus.

Every club has money-making projects, and Auto Mechanics is no different. Each Friday the boys get together to wash cars here at Clay. "Junk Sales" at which old car parts are sold also contribute funds. With this money members purchase needed tools for the shop, furnish bags of food at Christmas time for the poor, and lend money to members.

Knowledge gained in the club has been used to attain jobs in gas stations and repair garages. Mr. Kitz, the adviser, says that although the boys learn a lot in the shop and become quite proficient, they can always learn more.

Mr. Kitz tries to make Bob Poulson and Gale Smith understand that a car has many intricate parts.

FRONT ROW—Duane Dearsman, Jim Sherry, Gale Smith, Robert Anaszewicz, Louis Skiles, Terry Cousino, Chuck Zettner, Thomas Molinski, Vaughn Turley, Gary Perlinski, Robert Poulson. **SECOND ROW**—Henry Dippman, Alan Gallagher, Ronald Heintchel, George Ford, Alan Ludeman, Richard Knitz, Robert Dunmyer, Jerry Lenning, Mr. Kitz.

Feeling as though he is a part of the car, Thomas Molinski searches for the ailing part.

Maria Rogers took the Christmas orders.

To Pattie Langel and Sherry Van Camp mimeographing machines are certainly more intriguing than typewriters.

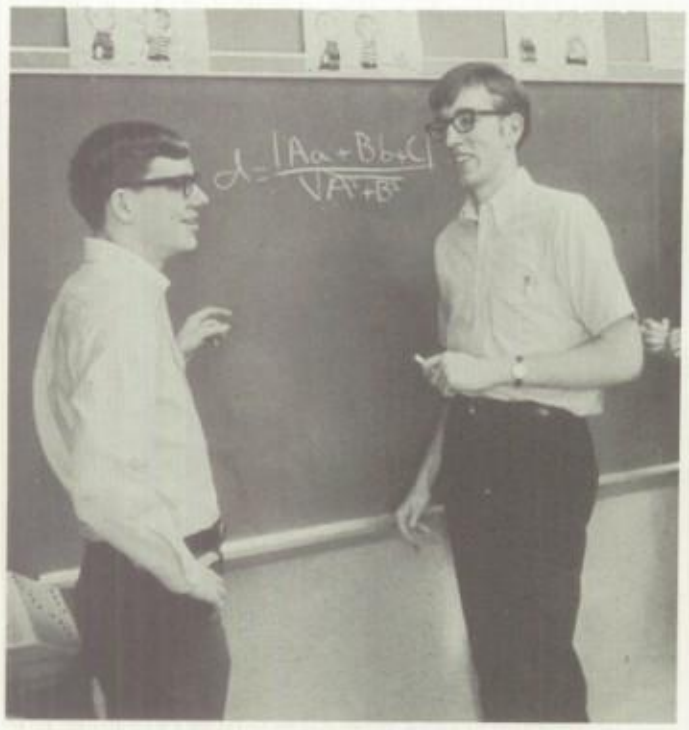
Boe Makes The Scene

FRONT ROW—Martha Dreier, Pam Jesche, Pat Lisowski, Dianne Jennings, Ginny Blair, Pam Valencic, Jane Wien. **SECOND ROW**—Rhonda Greisiger, Joann Clark, Sherry Van Camp, Penny Bauer, Pattie Langel, Shelley Villhauer, Kathy Imm, Mrs. Needles. **THIRD ROW**—Carla Mabrey, Karen Kwiatkowski, Anclisa Bauman, Debi Minnick, Marlene Greisiger, Maria Rogers, Sandy Reihing. **FOURTH ROW**—Roxana Grabenstetter, Ginny Kohne, Sue Loveday, Connie Meier.

New in the vocational program this year was B.O.E.—Business Office Education. Offered to junior girls taking a business course, it acquainted the students with better business procedures.

The class taught the girls how to use many of the school's business machines. It also helped them develop their typing skills, improve the characters of shorthand, and to practice proper selling.

The B.O.E.'ers assisted many of the teachers by typing letters and tests. During the Christmas season, they went caroling at the State Hospital.



Brain-teasers proved to be a challenge to club members.

Mathematicians Are Born At Clay

Mathematical comprehension, appreciation, and analysis was the purpose of Clay's Math Club. They accomplished this goal by discussing mathematical problems and trying to work out their brain teasers.

Some of the Math Club activities included holding an annual spring picnic, usually at Pearson Park, and taking charge of the concession stand during a home game. The money earned from service projects and dues was used to buy extra copies of the Toledo University Math test, in order that more students were able to participate in the area testing.

FIRST ROW—Mike O'Brien, Dave Habegger, Rod Bauer, Bob Perry, Duane Worthington, Bruce Poppe, Ted Mitchell, Mrs. Ravenscroft. **SECOND ROW**—William Wymer, Bob Millen, Randy Donnell, Rex Johnson, Stan Batch, Paul Masters, Sue Tarr, Connie Baer.

Math Club officers planned activities and led the club.

Speakers Enchance Art Club Meetings

Newly established this year, the Art Club promoted interests in the many fields of art. The only requirement for entering the club was that members have an interest in art.

Often during the meetings, guest speakers, who were mostly area artists, acquainted the club members with the new methods in painting, drawing, and sculpturing. The speakers told of these methods by either presenting lectures or giving demonstrations.

New books on art, which were added to the school library, were introduced to and discussed by the club. All of the paintings which are displayed in the school library were provided by the Art Club.

The lobby near the auditorium was turned into a small art gallery during the intermission of the winter band concert. Art exhibits by the members were displayed.

FIRST ROW—Donna Haskins, Debbie Hamman, Judy Schmidt, Dennis Short, Dolores Doughtherty. **SECOND ROW**—Carol Barnes, Pam Mominee, Linda Mominee, Kathy Dimitroff, Bonnie Sindlinger, Marcia Brown. **THIRD ROW**—Sue Shanke, Judy Vigis, Gail Corado, Sue Billings, Sally Elvy, Sue Wheeler. Adviser—Mr. Hauter. (above) Art Club members displayed projects in the library. (below)

Speech Club Appears Revived and Ready To Go

Speech Club took on a new look this year. Under the direction of Mrs. Schultz, the club reached new heights. Participation was the main theme. Each member entered speech contests and tournaments throughout the year.

In order to organize themselves for tournaments, the Speech Club met each Wednesday after school to do research and to practice contest speeches. The debate team was very successful in its competition at area high schools. Speech Club was by all means one of the most active clubs this year.

FIRST ROW—Dan Hagedorn, Linda Stieben, Kay Fletcher, Becky Coy, Maureen Howe, Chris Donnal, Ray Nissen. **SECOND ROW**—Mrs. Schultz, Gail Odneal, Jean Lajti, Bill Dimitroff, Dolores Dougherty, Bob Alex. **THIRD ROW**—Laurie Mills, Pat Howe, Jenny Vigis, Mike Solt.

Green and Orange Moose

Visits Bio-Phy-Chem Members

Bio-Phy-Chem formed a program committee this year. Committee members met and planned a special program for each club meeting. Demonstrators, films, and speakers made regular meetings much more interesting. One program was presented by a chemical engineer from the Sun Oil Company. He introduced new synthetic products and showed how they react with different chemicals.

Initiation for new members was held at Macomber Lodge in Pearson Park. Inductees pursued a green and orange moose to the enjoyment of old members. It was reported that the "Spirit of Bio-Phy-Chem" visited the initiation.

This year each member donated canned goods for the needy at Christmas. This year Bio-Phy-Chem became a more active school club.

FIRST ROW—Deb DiNardo, Diana Culver, Gail Odneal, Jane Klickman, Barb Seammen, Jackie Chaffee, Joyce Nelms, Kathy Dimitroff. **SECOND ROW**—Randy Donell, Kay Poenicke, Theresa Mominee, Sandy Moenter, Kathy Renner, Julie Zam, Joyce Judson, Debby Levy, Roberta King, Ann Wolfe, Sue Slates, George Short. **THIRD ROW**—Tom deCant, Tom Burns, Dave Geisert, Mike Samuhel, George Nagy, Glen Meyer, Alan Mascsak, Bob Millen, Rod Bauer, Stan Batch, Don Warner, Ted Nissen, Mike Judson, Bob Schmidlin, Phil Cramer.

During the Christmas vacation, the members bought gifts, candy, and took Santa Claus to St. Charles hospital for a party for the day-nursery. Other activities included visiting the elderly and reading to them. Members also observed the techniques and work involved in professional drama.

Gwen Danekind serves as "Chief Cook and Bottle-Opener" at a meeting.

Holding their meetings in the library, Zetes strived to improve school pride.

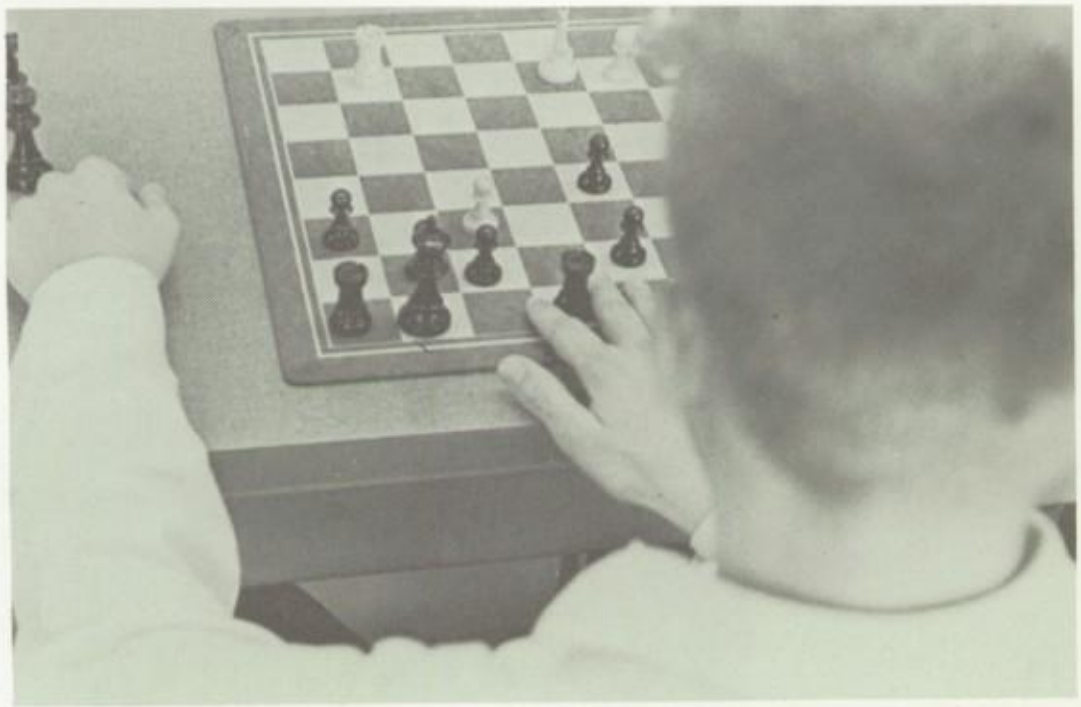
Chessmen

Are Champs

Clay's chess club, advised by Mr. J. Willmarth, was open to all interested students. It offered the opportunity for the able player to challenge an opponent of equal ability and for the novice to learn the game during periodic instruction periods.

During 1968-69 a four-man team representing Clay competed with such schools as: Central, Rossford and Macomber, and in the early spring, play-offs were held.

Besides playing chess, they had a party during the Christmas season and a picnic in the spring.



Y-Teens Entertain Area School Children

Affiliated with the Y.W.C.A., Y-Teens is represented by two clubs at Clay, the Sophomores Y-Teens and the Junior-Senior Y-Teens.

To make the Thanksgiving holiday more enjoyable for the elderly people at the old folk's home, the sophomores baked cookies for them. At the T.B. Labeling Day in December, they received a plaque for having the most representatives present. They also participated in the Winter Carousel which was a carnival at the Y.W.C.A. for area elementary school children.

Early in November, the Junior-Senior Y-Teens collected toys in their neighborhoods for the Vista Program. At the Winter Carousel they also helped to entertain the children.

Sophomore officers are Gloria Dragon, Deb DiNardo, Kay Poenicke, and Deb McClintock with adviser Mrs. Swartz.

JCWA Offers European Tour

The Junior Council on World Affairs was newly organized last spring with a small but excellent membership. The JCWA is affiliated with the Toledo Area JCWA. There are two meetings a month where the members meet with the students from the other area schools: the executive meeting for officers, and the area meeting with special programs for all members.

The highlight of the year is the spring mock U.N. meeting for the area schools. Each school represents a country and discusses and votes on world problems from the viewpoint of that particular country.

This fall the Clay JCWA chapter officers attended an area Leadership Training Conference to study parliamentary procedure and to hold separate panels to discuss the duties and problems of the presidents, vice president, secretaries, and treasurers.

The adult Toledo Area Council on World Affairs also sponsors a European study tour at a low cost for members of the area JCWA annually.

Club officers: Mike O'Brien, Gail Odneal, Phil Cramer, Jackie Chaffee, Belinda Robb, and their adviser, Mrs. Mook, co-ordinate JCWA's activities.

National Thespian Society

Accepts Limelighters

Tom DeCant performed the tasks of student director in "Pardon My Second Scene" by coordinating the cast of Viola Hagedorn, Dan Hagedorn, Barb Carr, Connie Higley, Clare Overmier, Don Ludwig, Gail Odneal, Tom DeCant.

Many members of Limelighters were inducted into the National Thespian Society, an honorary club consisting of young people throughout the United States. To be accepted the applicant must earn a specific number of points. Students acquire points by acting, directing, or participating in productions of school plays. At the end of the year awards were given to members for outstanding accumulation of points.

This year, Limelighters adopted new policies. Their annual assembly at the beginning of the year was a production which was acted in and directed by the students. To promote interest in club activities, they formed a social committee to plan functions throughout the year. Members attended Lynro Productions at the State Theater and were taken backstage to see how costumes and settings are made. Enthusiasm and willingness made this year's Limelighters Club better than ever.

Lead the Way To Music

During seventh period every day, seventy-six band members diligently practiced to maintain a superior band. The Clay band won the first place prize in the annual Strawberry Festival again this year. At the Firemen's Convention the band was awarded a trophy for fourth place.

The band concentrated on perfecting numerous precision drills, which are different geometric marching forms. Halftimes at the football games were made more enjoyable by the variety of music and formations of the band.

With the close of football season, the band went from marching to concert music. A major concert was given at Christmas, Winter, and Spring. All types of music were featured at these concerts.

On March 15, 1969, fifty per cent of the Clay band was represented in eighteen entries at the annual band contest.

At the band banquet held last winter, Tom Warrington was chosen the outstanding band member. Amid the setting of India, awards were given to the deserving band members for working hard to make the band the best.

For Christmas Season

Consisting of ninety-two juniors and seniors, the A Cappella Choir is the largest student organization at Clay. To be in the Choir, one year of Boy's or Girl's Glee Club is usually required. However, at the beginning of the second school semester, a few select sophomores are accepted.

In the fall, each member participated in the annual Tag Day. On that day donations, which will help finance the choir, were collected.

During the Christmas season, the choir was busy planning public, and school concerts. The Vespers, an annual program of Christmas music, was presented to the public on December 15, 1968. Similar programs were performed at Fassett and Eisenhower Junior Highs and at Clay. The senior members of the choir traveled to all the Oregon schools to carol through the corridors.

To complete the year, in the spring the choir presented a popular musical to the public. Leads were played by outstanding members and secondary roles were given to other choir members.

Senior choir members filled the halls with Christmas spirit.

To Serve School

Student Council began its first in a series of major projects by sponsoring the Coronation Ball for Homecoming. Through the year, the Council also sponsored the hayride-dance, the "Phloo," were responsible for spirit buses to the football games, and attempted to get the bus for basketball games.

Traditionally, Student Council has decorated the school for Christmas, participated in Toledo Area Student Council, sponsored Fun Nite, collected for the March of Dimes and Easter Lily drives, sold ice-cream, and posted activities and honor roll standings on the bulletin boards.

New projects this year included purchasing a sign for Bowling Green High School to be placed in the gym with the other league schools and initiating a drive for Tony Fork, a Clay graduate for a kidney transplant. A suggestion box was placed in the main lobby, giving students an opportunity to voice their opinions. A new student dress code was designed and put into effect.

Council also presented a basketball pep rally with Mr. Federici as Santa Claus and will be sending Pam Morris to Baltimore this summer as a delegate to the National Association of Student Councils.

Allan Mascsak and Dan Krueger consult Mr. O'Brien about having an additional phone put in the lobby.

Campus Life Strives

For Total Development

Campus Life is a teen geared organization centered on giving a person a balanced life. The members exercise not only the physical, social, mental, aspects everyday, but also the spiritual aspects. Campus Life develops the four areas with fun-filled activities such as the Burger Bash, a frustration-relieving Pillow Fight and others.

The Clay Campus Life is affiliated with the area Campus Life Club, and thus has activities where the members can meet high school students from the Toledo area with similar interests. Some of the area activities include Teen Olympics, where schools compete against each other in such sports as basketball, volleyball, pingpong, bowling, swimming, and weight lifting. The Toledo area winners represent us in the Ohio Teen Olympics held in May.

This year GAA girls formed volleyball teams. After competing among themselves in a tournament, the overall champions challenged the women members of the faculty to a game. The game was played in the elementary gym. This contest proved that the older you get the slower you get because the GAA girls tromped the faculty.

In the early fall GAA members canvassed the community selling chocolate bars. It was a familiar sight to see junior and senior girls rushing from class to class with their boxes of candy.

The biggest part of the GAA year is the bowling. On alternate Mondays and Wednesdays teams of girls hiked over to Eastern Lanes for a few hours of fun, disappointment and laughs.

Varsity C Men Aim For Charity

Charity was the Varsity C's main interest this year. Along with their annual can goods drive at Christmas, they also helped the old newsboys sell newspapers and contributed to the Tony Fork Fund. Tony Fork, a former Eagle, needed money in order to receive a kidney transplant.

Varsity C men again sponsored the Snowball dance held on December 27. Couples danced to music provided by Chuck Neal and his Nite Hawks, and munched cookies served by the coaches' wives.

Of course Coach Federici guided the men in all their projects. Varsity C, restricted to only those men earning a varsity letter, provided the school with service and school spirit.

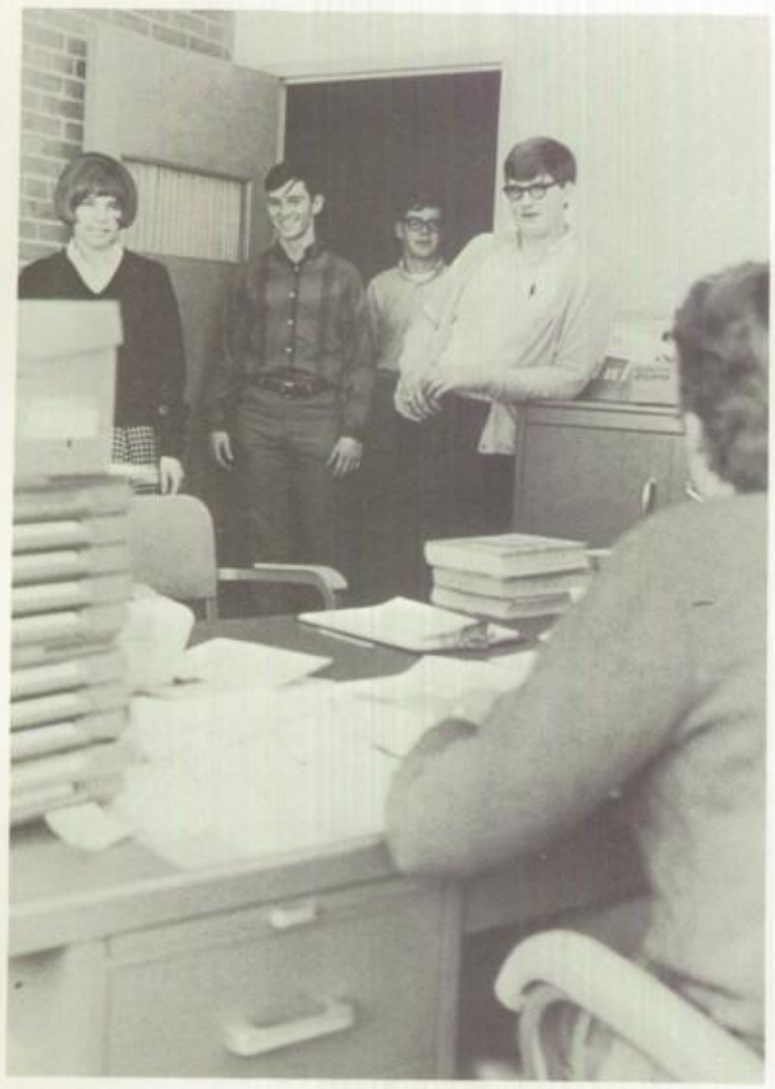
Inter-Club Council Strives To Unite Clubs

Newly formed this year, Inter-club council tried to create a better relationship between the clubs. The Vice-presidents of all the school clubs made up the council.

When a club was sponsoring an activity, the Inter-club Council representative would announce it at the council meeting. This was done in order that no more than one club would be working on the same project at the same time. By reporting the different activities, each club knew what was going on around the school.

When the clubs had problems, they would discuss them with council members and try to come up with a solution.



Club members consult Miss Jones with problems.

OWE Provides Jobs

The Occupational Work Experience Program combines "on-the-job" work training with a class related to the job, in addition to the regular school subject requirements. O. W. E. is selective not elective. The applicants are evaluated by the guidance counselors and the program coordinator. This program is a one-year cooperative during the senior year. The student goes to school part of the day and works at an on-the-job training station the remaining part of the day. High school credits are received for both the time on-the-job and the time spent in school.

O. W. E. is offered to students who are sixteen years of age and have completed at least twelve high school credits. The student goes to school in the morning and works at a business establishment somewhere in the community during the afternoon. While in school, the student spends two periods in related occupational classes, taught by Mr. Felhaber, and two periods in regular academic classes.

This program provides the student who is dissatisfied with the academic or general curriculum the desire to remain in school and earn a high school diploma. The student's experience as a wage earner will have helped him develop the proper attitude toward work and the ability to get along with other people.

Adviser Mr. Felhaber instructs the boys concerning the business world.

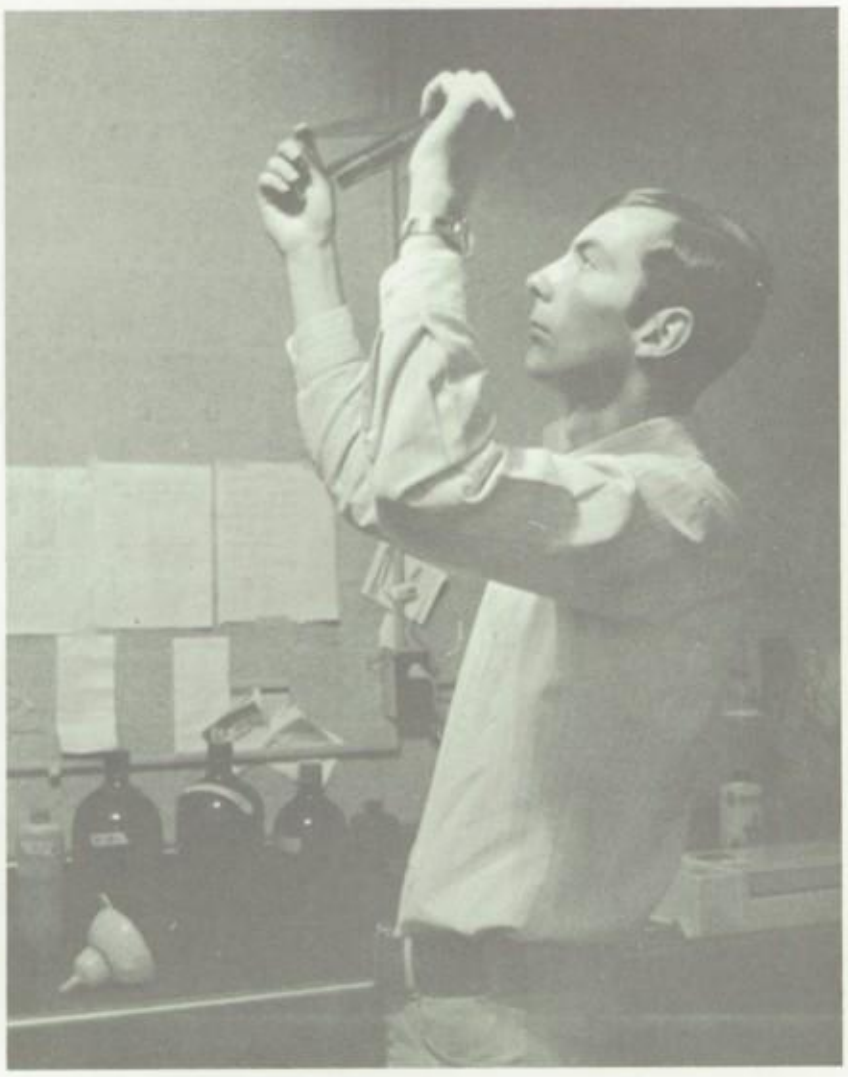
To Crystal

Through careful budgeting this year, the yearbook is featuring some duotone pictures. Duotone, a shading of two colors, provides a richer appearance to a predominantly black and white book. This is a step towards color, something each yearbook staff strives to acquire.

This spring members of the Crystal staff traveled to the Gray Printing Company, which prints this yearbook, in Fostoria, Ohio. There the staff members was shown how this yearbook was printed. Many hours of work are needed to produce a well printed book.

Various members attended journalism workshops. At Bowling Green, instructors demonstrated methods of yearbook organization. This year Trudy McLaughlin and Kay Fletcher attended the conference at Ohio University in Athens. They brought back many new ideas which were used in this year's Crystal.

Editor Shari Valencic, under the guidance of Mr. Haynes, organized, assigned, and aided in the various sections of the yearbook. A larger staff helped to increase the quality of the book. The goal this year was more creativity and less copying.



Russ Williams found that enlarging pictures is not as simple as it sounds.

Increase in Value

Fourteen students combined hard work, long hours, and journalistic skills to produce *The Eagle*. Under the guidance of Mr. Pratt, the staff met everyday fourth period to construct our school newspaper. Members of the staff gathered news, wrote articles, took and produced pictures, learned paste-up techniques, and exercised their artistic abilities.

This year they obtained the services of the Hartio Printing Company, which specializes in printing high school newspapers. The company also offered color issues at various times throughout the year for fairly low rates.

On the days the *Eagle* was available, staff members journeyed to Fassett and Eisenhower to sell copies to the junior high students. The price was raised to 15¢ per copy due to the increase in printing costs. By adding new features, editor Eric Walton made the paper well-worth the extra 5¢.

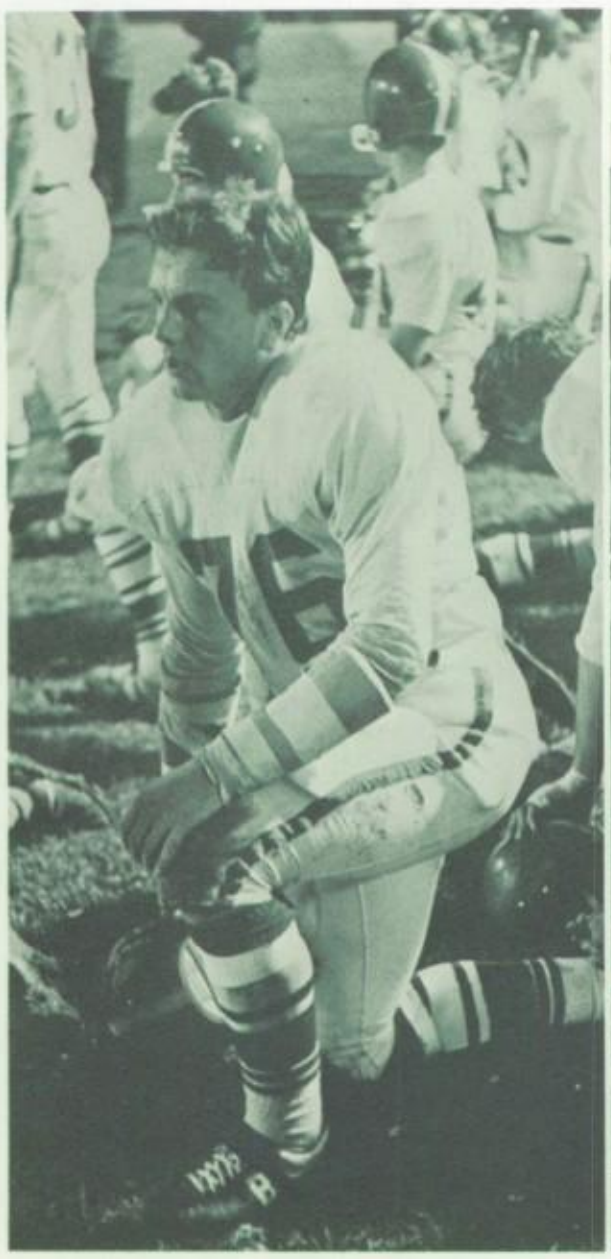
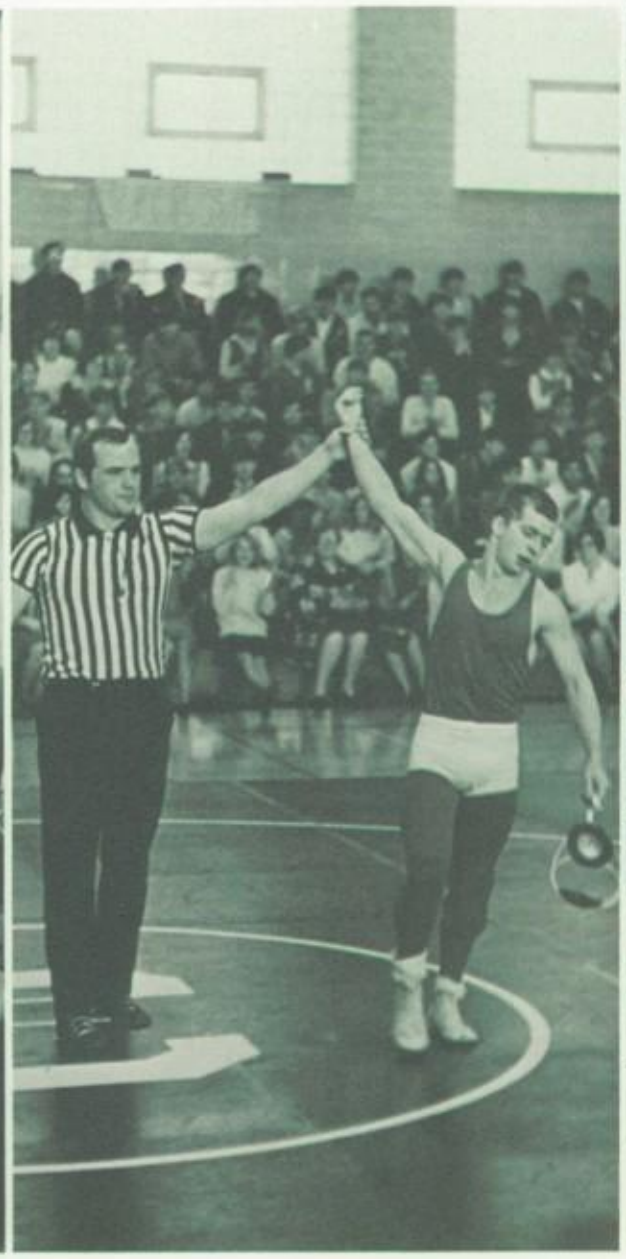
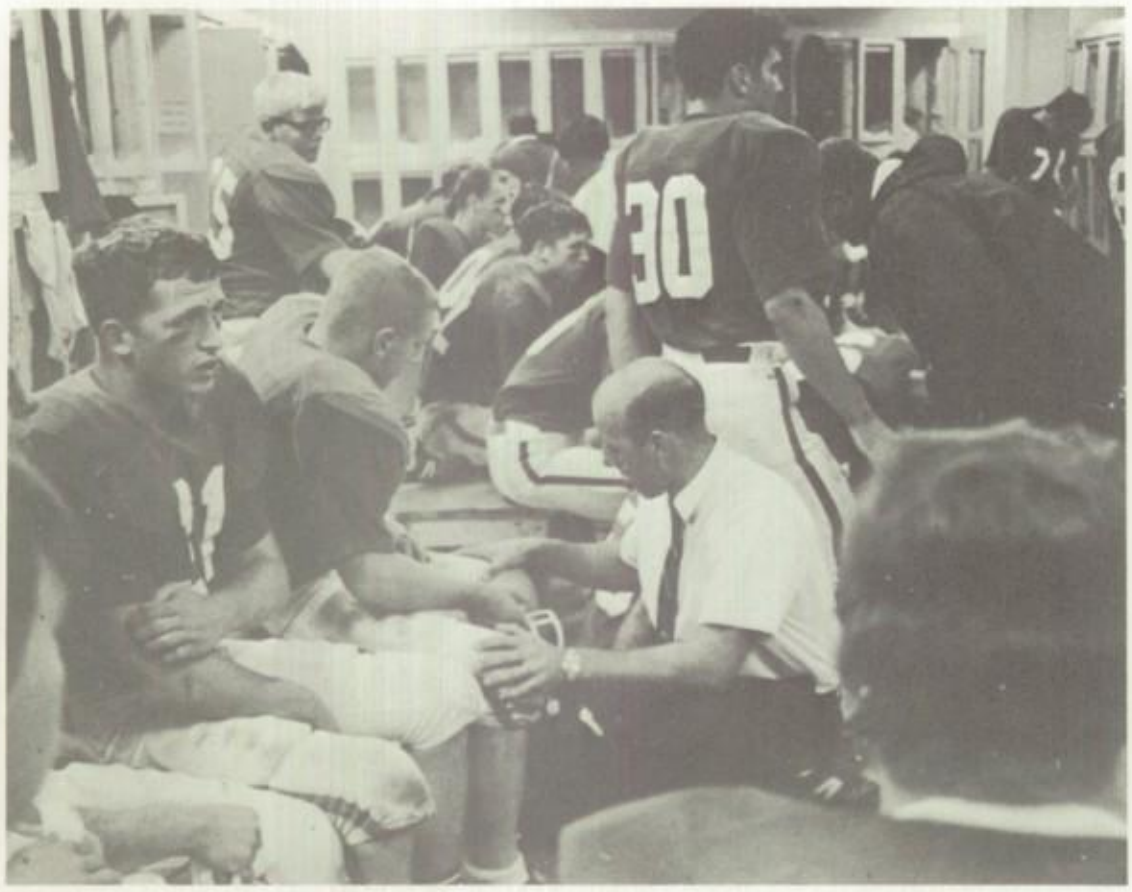
ATHLETIC PEOPLE





Locker Room Chaos Arouses Enthusiasm



With their first game a fine 13-0 victory over the Mac Men, the Clay Eagles started their season with enthusiasm. Great running by Brian Shoop and an unyielding defense spearheaded by Howard LaCourse powered the Eagles to victory.

The next three weeks the Eagles had the door shut in their face with successive losses to Mount Vernon, Port Clinton, and Whitmer. The loss to Whitmer cost the Eagles the traditional "Little Brown Jug."

The Eagles got back into the G.L.L. race with victories over league rivals Bedford and Sylvania. Pete Luther carried the offense on his shoulders by piling up more than two hundred yards rushing and scoring 3 touchdowns in the two games.

The Eagle was caged for the third consecutive year when the Eagles fought Cardinal Stritch in a 0-0 tie. Neither team could muster up much of an offense against two superb defensive units.

Craig Schaefer blossomed as the Eagles prime runner scoring 7 touchdowns in the last three games. This paved the way for three successive victories over Fostoria, Waite, and Perrysburg ending a fine season for the Eagles.

Constant Challenge

The Clay High School Junior Varsity opened its season with a 6-0 victory over St. John's. The Eagles won their second encounter with a 25-6 triumph over the Red Skins of Port Clinton. Three touchdown passes by Jerry Bullock led the Eagle onslaught.

After a 12-7 loss to Whitmer, the team reeled off six consecutive victories with five being shutouts. At the meeting with rival Cardinal Stritch, Clay clinched the game with a 20-0 win.

The Eagles ended the season with an 8 win to a 1 loss record. A total of 209 points were scored by the offensive team, while the defensive unit yielded only 24 points over the game span.

Eagle Roadrunners Race To Fine Season

Opening the season with an 18 to 42 victory over Port Clinton, the Eagles started what was to be a fine cross country season. On their way to a fine season record of 9 wins and 4 losses, the Eagles defeated Genoa, Lake, Bowling Green, and Whitmer, while losing to Lakota, and Anthony Wayne.

Nelson Rodriquez, one of Clay High School's greatest runners, was the spark of the Eagle cross country team. Holding course records at Clay, Genoa, and Bowling Green, "Nellie" led the way with his younger brother Wally following a steady second. If anyone will ever beat Nellie's 2 mile course record of 9:58, it more than likely will be Wally. Nellie finished out a fine high school career by taking first in the district meet at Sandusky and going on to the state meet.

Varsity Eagles End Season In Second Place Tie

Even though the varsity was defeated by Eastwood in the initial game of the 1968-1969 basketball season, they were victorious over the Redskins of Port Clinton in their second outing. Next the Eagles kicked the Mules of Bedford by defeating them 61-47, picking up their second league victory in three games. Lead scorer for Clay in that game was Mark Selee with 21 points.

Scalping the Redmen of Fostoria the following week, Clay won its third G.L.L. triumph 56-52. Leading by only three points going into the last eight seconds of the game, the Eagles were faced with a possible loss when Jim Martin was intentionally fouled. Jim sank the free throw, making it impossible for the opponents to catch up.

At halftime of the next game, the Bowling Green Bobcats went to the locker room leading by nine points. But Clay showed its team strength in the second half and ran over the over-confident Bobcats, the game ending with a score of 58-49.

Mark Selee was the Eagles big man in their 52-50 victory over Whitmer. Although Clay was down by two points with only three minutes remaining, Mark contributed four quick points to regain the lead for Clay and to win the game. Mark scored ten points in the final period of that game.

Clay clung to second place in the league by edging Port Clinton in their second encounter 44-41.

Clay again tasted victory in a close rematch with Bedford. Clay led by seven points at the end of the first half, but Bedford battled to within two points in a quick awakening in the fourth quarter of the game. The Eagles pushed the score to 53-43, therefore clinching the game.

The Eagles in a second battle with Fostoria, gained a victory by excellent foul shooting in the last minutes of the game; leaving Fostoria behind with the score 50-45.

Battle Their Way

Through Fine Season

The Reserve Basketball team won four and lost fourteen games in the 1968-1969 season. The team lost eight which were very closely contended.

The team improved as the year progressed, and a number of good players will be added to the varsity squad next year.

Jerry Bullock was the leading scorer with a total of 158 points. Leading rebounders were Don Warner and Tim Schmaltz.

Despite a few costly injuries and close upsets, Coach Kandik thought the Junior Varsity did their best, and he was proud to coach the squad.

The 1968-1969 wrestling season turned out to be one of the most productive seasons of all time. Five boys, Bob Henning, Bob Sternberg, Jeff Turnow, John Henning, and Wayne Batch won in the sectional meets held on the fourteenth and fifteenth of February. They then advanced to wrestle in the district meets held February 21 and 22 at Whitmer. The district matches were comprised of about seventy Northwestern schools.

At practice sessions the team went through grueling calisthenics and learned holds, rules, and other applications of wrestling and quick thinking.

Bowlers Have Smashing Season

Every Saturday morning at Eastern Lanes, the Clay Bowling League could be seen skillfully making strikes and spares. Although the League no longer competes against other schools, the eight teams, coached by Mr. Euphrat, have a great deal of fun challenging each other.

At the end of the season, the bowlers had a Fun Nite in which the regular rules of the game were exaggerated. Among the unusual games were hitting the head pin, having a handicap of five strikes, and trying to get a high over-average game.

A luncheon was given by the Lanes at the last game, and trophies were awarded to the winning team and the Fun Nite victors.

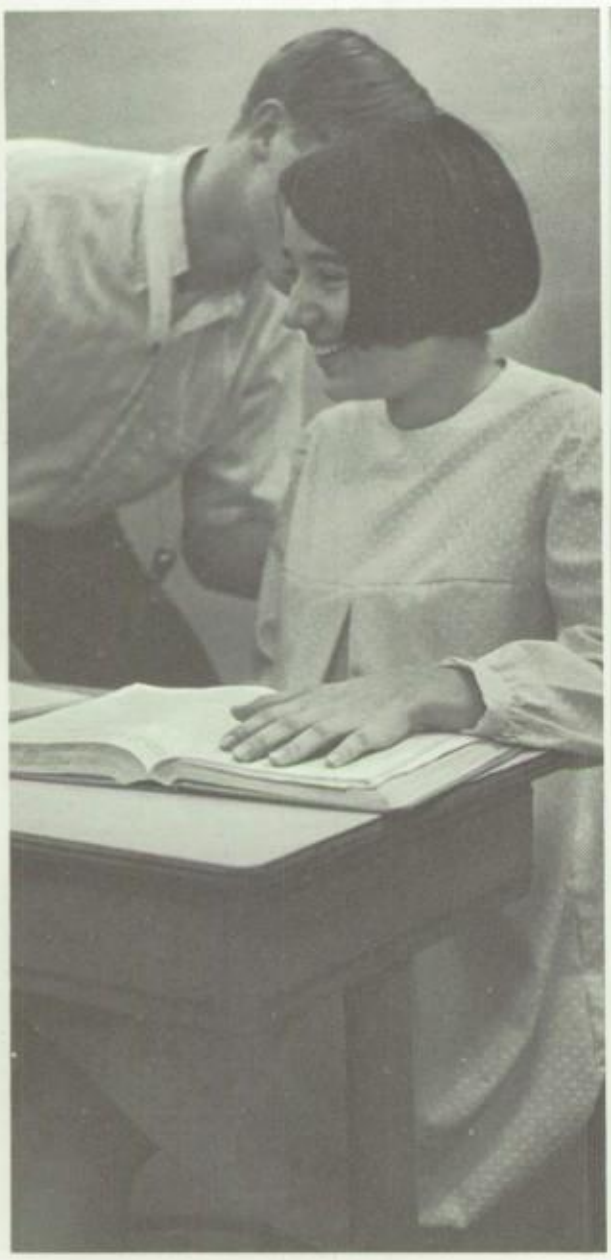
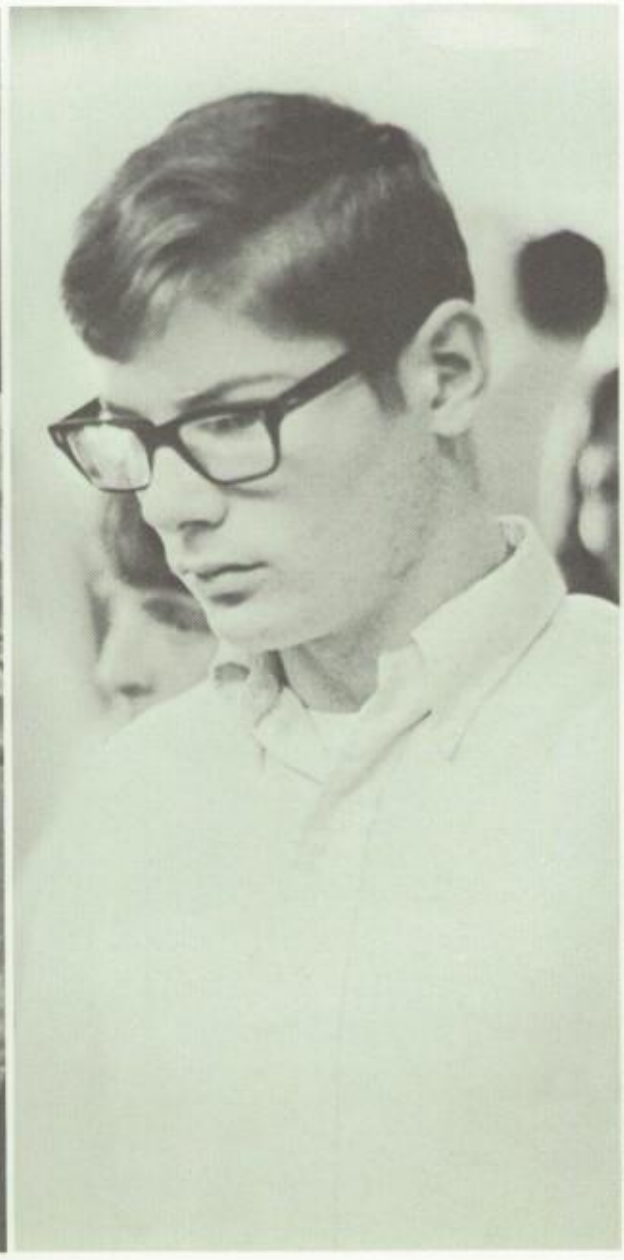
UNDERCLASS PEOPLE





Sophomores

Class Of '71

As the newest class of Clay High School, the sophomores are finally no longer fledglings. They have emerged from their shells and are trying their wings. This year has been a new experience; an experience that they've survived to become a little wiser. There were both laughter and tears as they struggled to find the right path.

This was the year they decided to do their own thing. They took a new direction, the one they will probably follow the rest of their lives. Some chose social; some chose academic; some chose both; and some chose neither. But regardless of what they chose, they are still a part of Clay High. Soon they will become full-grown, soaring high in the sky, taking their place with other proud Eagles.

Juniors Enjoy Year of Transition

Being a junior is something new and exciting, something difficult and challenging. Just as a cloud soaks up moisture before a rain, they have soaked up bits of knowledge in preparation for the dry spell ahead. The clouds are disappearing from their lives to let the sun peek sheepishly through. They are caught in the middle, no longer dark and stormy, but not altogether sunny. Yet this one small, shy, ray of sunshine has lit the way a little so they can better see who they are and where they are going.

Looking back on their sophomore year they now realize how far they have come since the day they walked into Clay High for the first time, a lost, alone sophomore. But they also realize what a long way they still have to go as they look forward to their senior year.

Even so, all clouds have a silver lining. Some day soon they will look up to find the clouds suddenly vanished, and their whole future flooded in a burst of radiant sunshine.

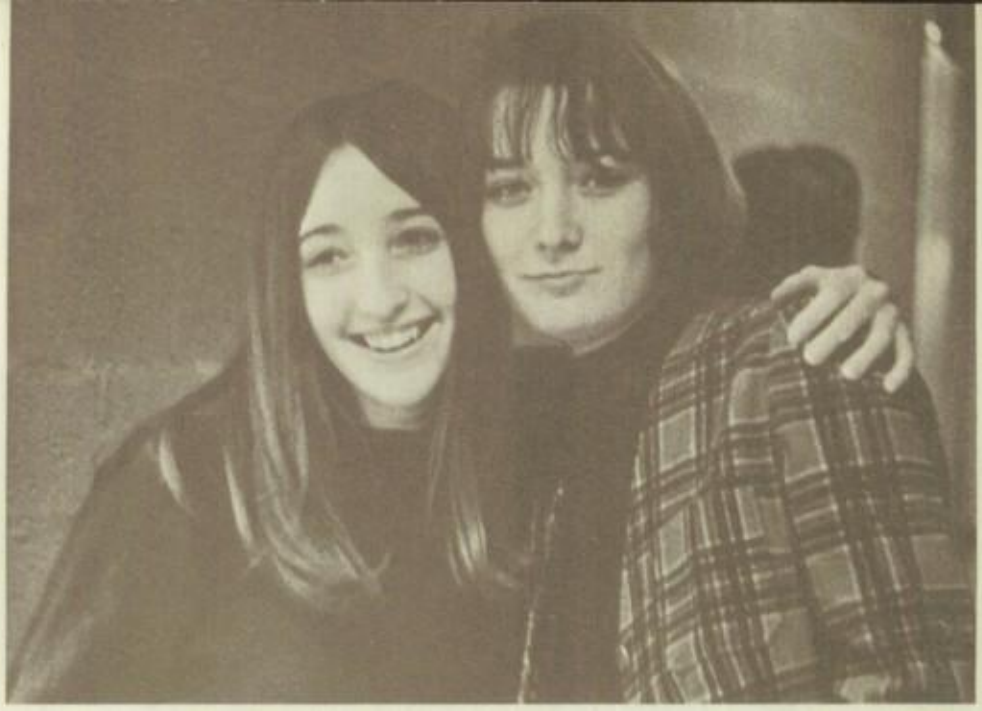
SENIOR PEOPLE



Seniors Do Their Own Thing

There is a certain time in life when a person finds it is time to stop being just anyone in a crowd. He is still a part of that crowd, though now he is an individual that stands out: he has now learned patience, courage, determination. To him belongs accomplishment. But getting there was a long, hard struggle.

The Seniors, class of '69, have discovered that life is no longer a Sunday afternoon picnic, but a New York subway at 4:00 on Friday afternoon. Theirs is a world of paisley promises and psychedelic overtures. Their is the complex; theirs is tomorrow. Both the sorrows and the joys, the tears and the laughter are theirs. The future rests on their shoulders, and when the time comes, they will be ready to stand proudly with the kind of faith and sense of responsibility that belongs only to them and accept their places in society.

HOMECOMING WAS . . .
getting big yellow mums,
the reuniting of old classmates,
cheering wildly at the pep rally,
decorating our stadium,
remembering for Seniors,
watching the crowning of our queen,
shedding a few tears at the Alma Mater,
and crushed hopes for a football triumph.

PEGGY

LINDA

Emotions and Excitement from the Beginning . . .

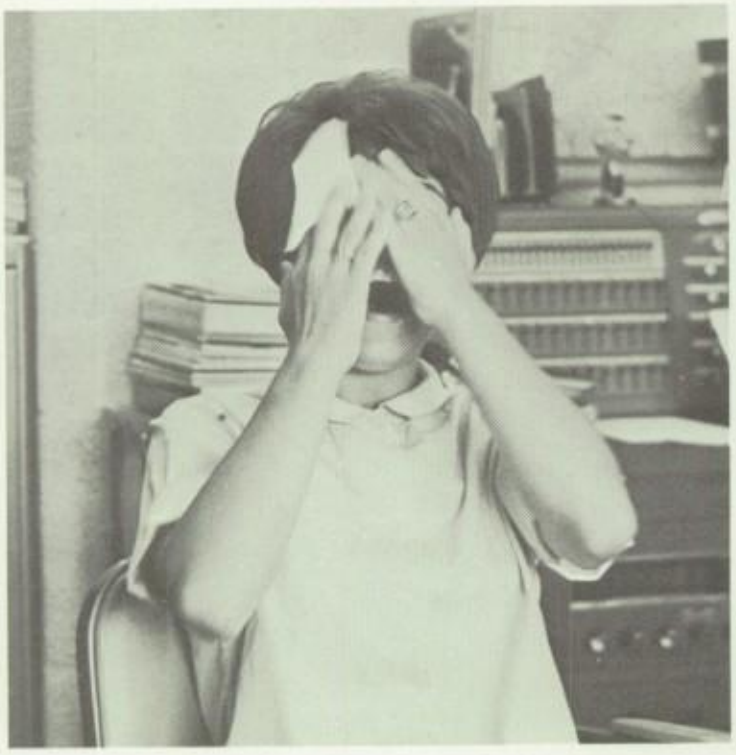
From the first announcement to the final moments of the Coronation Ball, Peggy Hart experienced several memorable days actively reigning as Clay's 1968 Homecoming Queen. Along with Carol Tipton and Linda Wiczynski, first and second attendants respectively, Peggy was presented to the spectators at the Port Clinton game in the traditional ceremony which was co-sponsored by Clay's Alumni Association.

The Queen of Hearts Coronation Ball, sponsored by the Student Council with the assistance of Zetes, concluded the excitement and activities of the Homecoming weekend. Red, white, and silver flowers and hearts decorated the gym. Candles lit the dance, creating a quiet, relaxing atmosphere.

Characteristic juniors socialize in a manner typical to all couples in attendance.

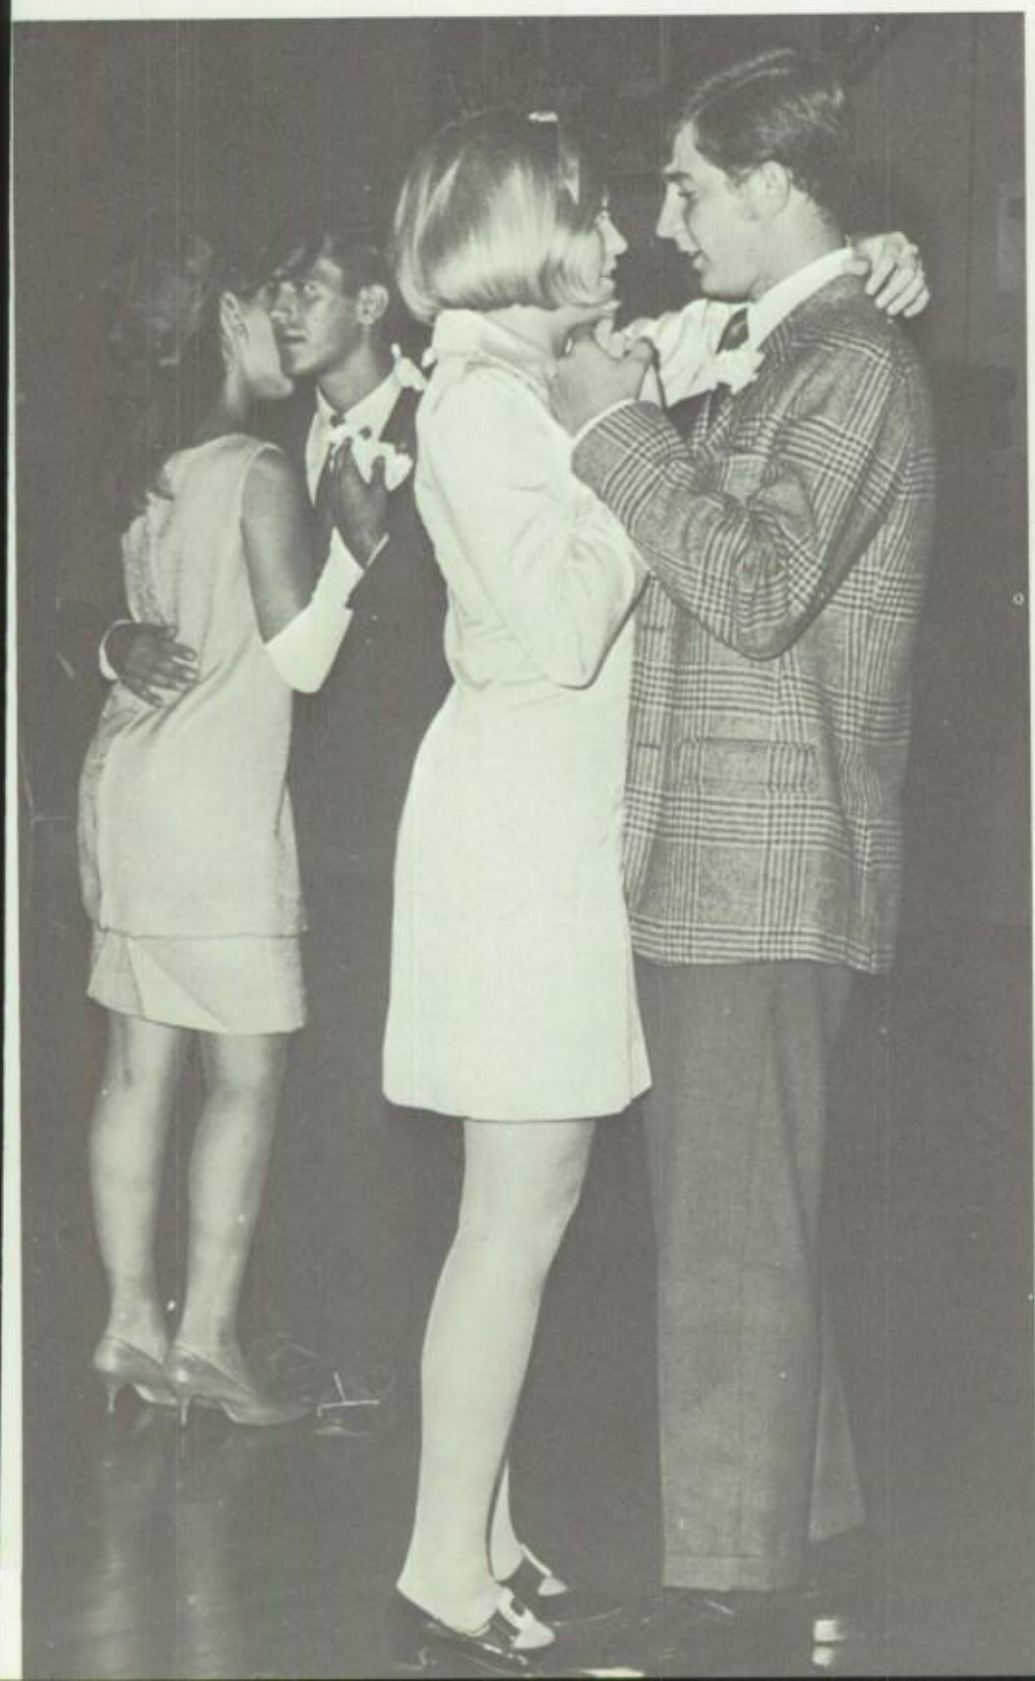
Gary Martin, Student Council president, escorts Vicki Heilman, Clay's 1967 Homecoming Queen and her successor, Peggy Hart, following the traditional crowning ceremony.

Carol Tipton and escort Joe Bires display amiable smiles while reigning over the Coronation.



The attendant couples share a quiet moment dancing to the music of the Belvederes.

Linda Wiczynski and escort Bob Poulson ascend the throne after the presentation of gifts to the queen and her court.



. . . To the End.

Eagle Spirit-leaders go . . .

Enthusiasm, pep, vivacity, pride, and spirit are synonymous with Clay's cheerleaders. Both the varsity and reserve squads have demonstrated the epitome of Eagle pride at the pep rallies and games. They have spread the contagious "live and die for ole Clay High" fever, as proven by the student's vibrant participation in the pep rallies.

The cheerleaders' common study hall was occupied with hard work and diligent preparation for pep rallies. Every week our front lobby was decorated with cheerleader-designed posters and spirit signs. Through their efforts they have proved that Clay does "have the spirit—yeah man!"

Pam Morris and Pat D'Anniballe carry the "smash Waite" hoop onto the field as the pre-game ceremonies reach an end.

Inese Arajs reflects the crowd's enthusiasm as the team nears the goal line.

Reserve cheerleaders, standing—Deb Egidi, Sharon Lind, Pat D'Anniballe, Janet Fabian, Linda Hamilton, and Pam Morris. Varsity cheerleaders, kneeling—Inese Arajs, Sue Dubbs, Peggy Hart, Analisa Bauman, Diane Jennings, and Sue Wheeler.

Sue Wheeler and Sue Dubbs display the incessant enthusiasm associated with Clay's cheerleaders.

Even rain couldn't dampen the spirits of Sue Dubbs, Inese Arajs, and Peggy Hart.

Linda Hamilton encourages third quarter spirit.

Thespians Present

Two Comedies

Clay's Limelighters performed "Nobody Sleeps" and "Pardon My Second Scene" on October 10, 1968, at their annual assembly. The former, which was directed by Dan Hagedorn, starred Jim Baker as a fumbling burglar and Gail Odneal as a meddlesome mystery writer. "Pardon My Second Scene," the second one-act comedy, demonstrated what would happen if everything went wrong. Directed by Tom DeCant, it starred Barb Carr, Clare Overmeier, and Dan Hagedorn. During the interlude between the two plays when the production staff changed the scenery, twenty-two members of the choir presented "Telephone Hour," a musical selection from *Bye Bye Birdie*.

In "Pardon My Second Scene," Don Ludwig demonstrates the frustration of a cast plagued by mishaps as he resorts to a desperate means of exiting offstage.

Startled, Barb Carr springs up after accidentally sitting on a mislaid doorknob.

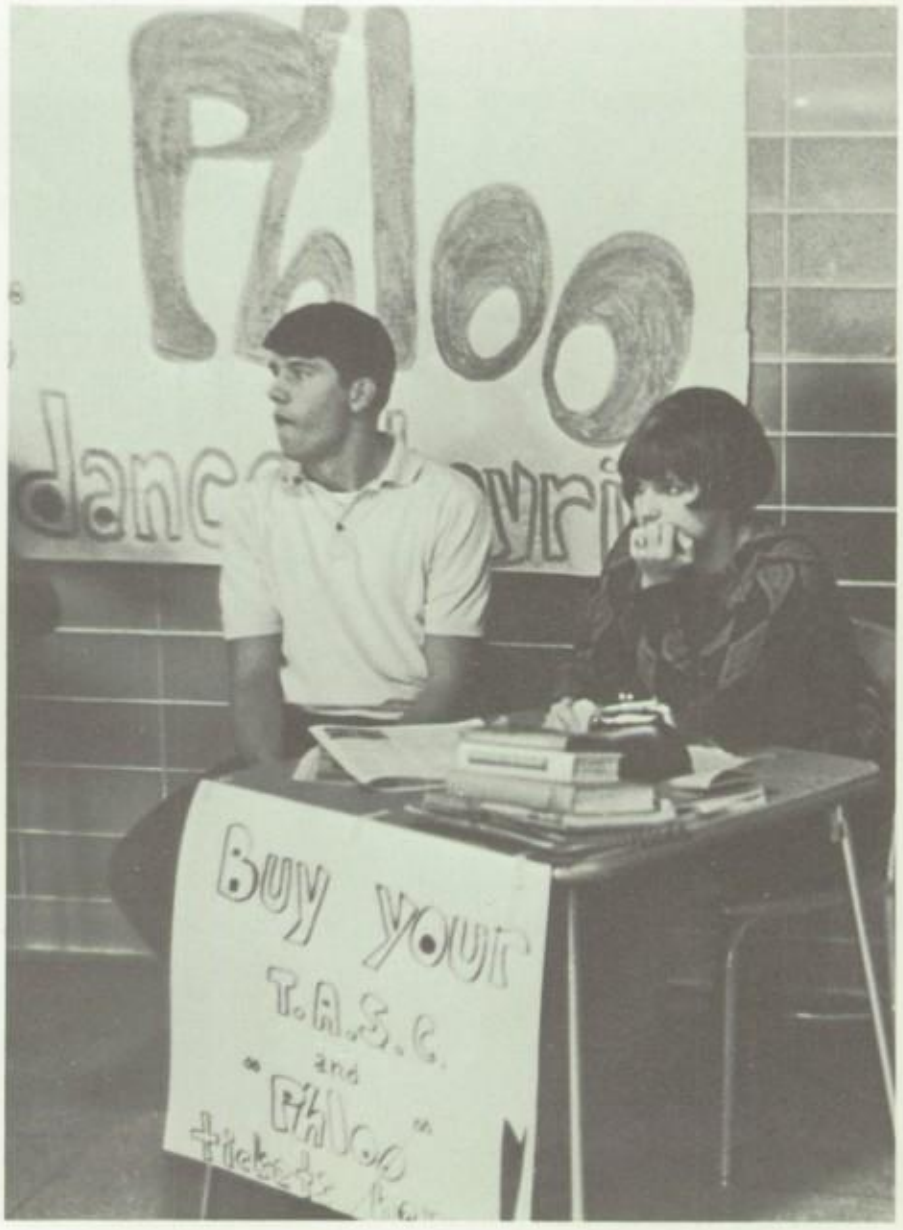
The cast of "Nobody Sleeps" briefly relaxes while discussing the production with the sponsor and director.

"Phloo's" Fun Is Contagious

Many students' evening was highlighted by participating in one of the three hayrides.

Music supplied by the Asian Flu was enjoyed not only by the Clay students but also by their guests from Genoa, Northwood, Lake, and Stritch.

During the lunch hour, Clint Schwierking helps Inese Arajs sell tickets for the Student Council hayride-dance on November 15.



Snowball Highlights Holiday Activities

When they weren't dancing, couples talked quietly at the tables (above) or congregated in the hall and enjoyed refreshments (right).

Don, Craig, and Ron Bedra help dates with their coats at the conclusion of the dance (left). Above, Dolores Dougherty, Mike Hopkins, Ted Nissen, and Marilyn Ovall discuss the events of the evening.

Couples dance to the various rhythms of the Nite Hawks.

The 1968 Snowball Dance was held on December 27. Varsity C men planned and financed the annual winter holiday dance. Soft music and low lights set the romantic scene. The music, provided by Chuck Neal and the Nite Hawks, was a welcome change from the Jefferson Airplane and Donovan.

Even though the weather was rainy and cold, dozens of couples attended the dance. Every table and chair was filled and our gym was transformed into a packed ballroom. Refreshments, cookies and pop, were served by the coaches' wives. At 10:30 the Snowball king and queen were announced. Dave Gipe and Mary Ellen Moore won the crown, while Terry Reed and Angie Jablonski, first runners-up, and Mike Searle and Karen McAtee, second runners-up shared the spotlight. The end of the dance drew near and all agreed that it had been a real success.

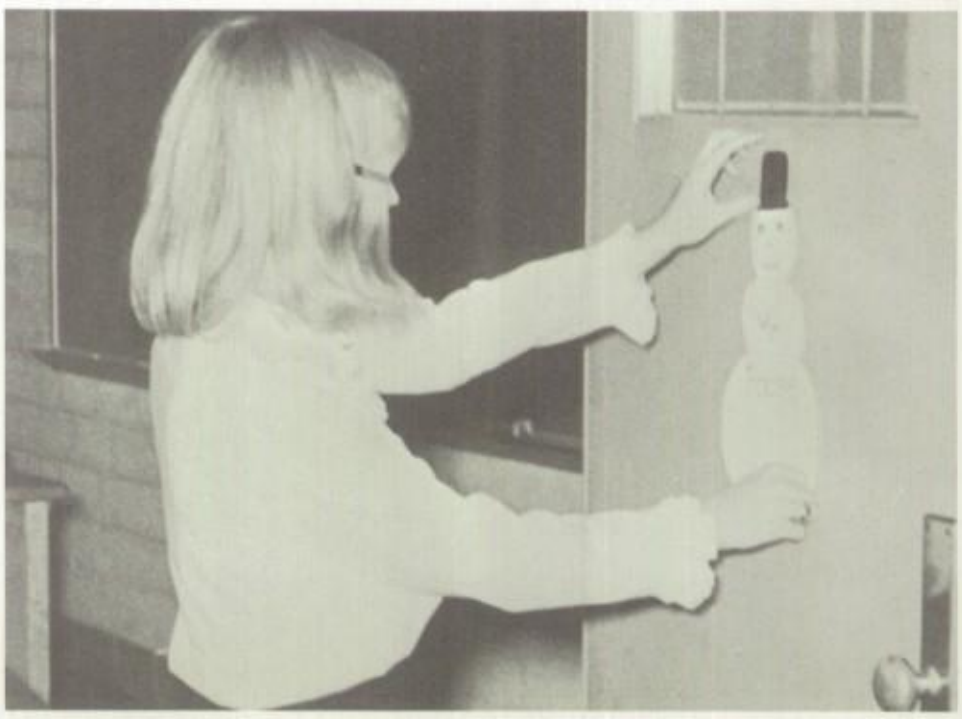
Coach Federici introduces royalty at the Snowball.

Christmas Spirit Rings Through Halls

Once again this year Student Council was responsible for the Christmas decorations around the school. The planning began in November, and the project was completed about a week before the holidays. Two large twelve foot trees and a manger scene graced the center stairwell area. Red and white braided crepe paper hung from the lights throughout the halls. Christmas trees also were placed by the auditorium, in the main lobby, and in the annex.

The choir added Christmas spirit and music not only to our own school but to all the other elementary and junior high schools in Oregon. The Senior choir members began a busy day-before-vacation with an assembly in the morning and caroling in all the other schools throughout the rest of the day.

Council members, including those pictured here—Jeannette Poulson, Carol Tipton, and Lynne Kirk—, stayed after school to decorate the school.



Pat Tank puts snowmen, Christmas trees, and bells on the teachers' doors.

Quiz Bowl Driven On By Strong Competition

Sandy Moenter, Don Ludwig, Rod Bauer, and Mike Krueger comprised the Quiz Bowl team. Each day the group met in the library or an empty classroom and reviewed and enlarged their knowledge of all subjects.

In early fall they defeated Springfield 380 to 180 and thereby qualified to go on to additional competitions in an attempt to win the area championship. The team had their second match in February but lost to St. Francis with a score of 430 to 340. In March the team challenged Waite at assemblies held in each of the two schools.

The Quiz Bowl team is shown at the WSPD television studio during the taping of the match with St. Francis.

Spirit Reverberates Throughout the Gym During Pep Rallies

Senior Fans of the Week, Gene Arnold and Debbie Herman, receive their rewards from Mr. Felhaber and basketball players.

Sue Dubbs leads the students in an all-school seance to call forth the Eagle spirit.

Clay High Has "Laugh-In"

Student talent burst forth at the traditional Specialties held February 4, 1969. Brian Shoop and Tom Warrington stole the show with their jobs as both hosts and performers.

Sandy Smith added to the light side of the Specialties with her long ride across the stage on her "wittle toy twactor" which left both her and the audience in a moaning cry. The theme for this year's Specialties was a take-off of the night-time rib tickler television show "Laugh-In." Acts included Brian and Tom singing and playing the guitar, bass, and piano. Other presentations were comedies, vocal groups, and the Clay stage band.

Mr. Neal directed the stage band who played specially arranged versions of many popular songs.

Sandy Smith presented her version of the "Rindecella" (Cinderella) story whose moral was "don't slop your dripper!"

Linda Rothenbuhler accompanied by Sharon Nissen sang "I've Got to Be Me."

Masters of Ceremonies Tom Warrington and Brian Shoop kept the show moving with their humorous monologues between acts.

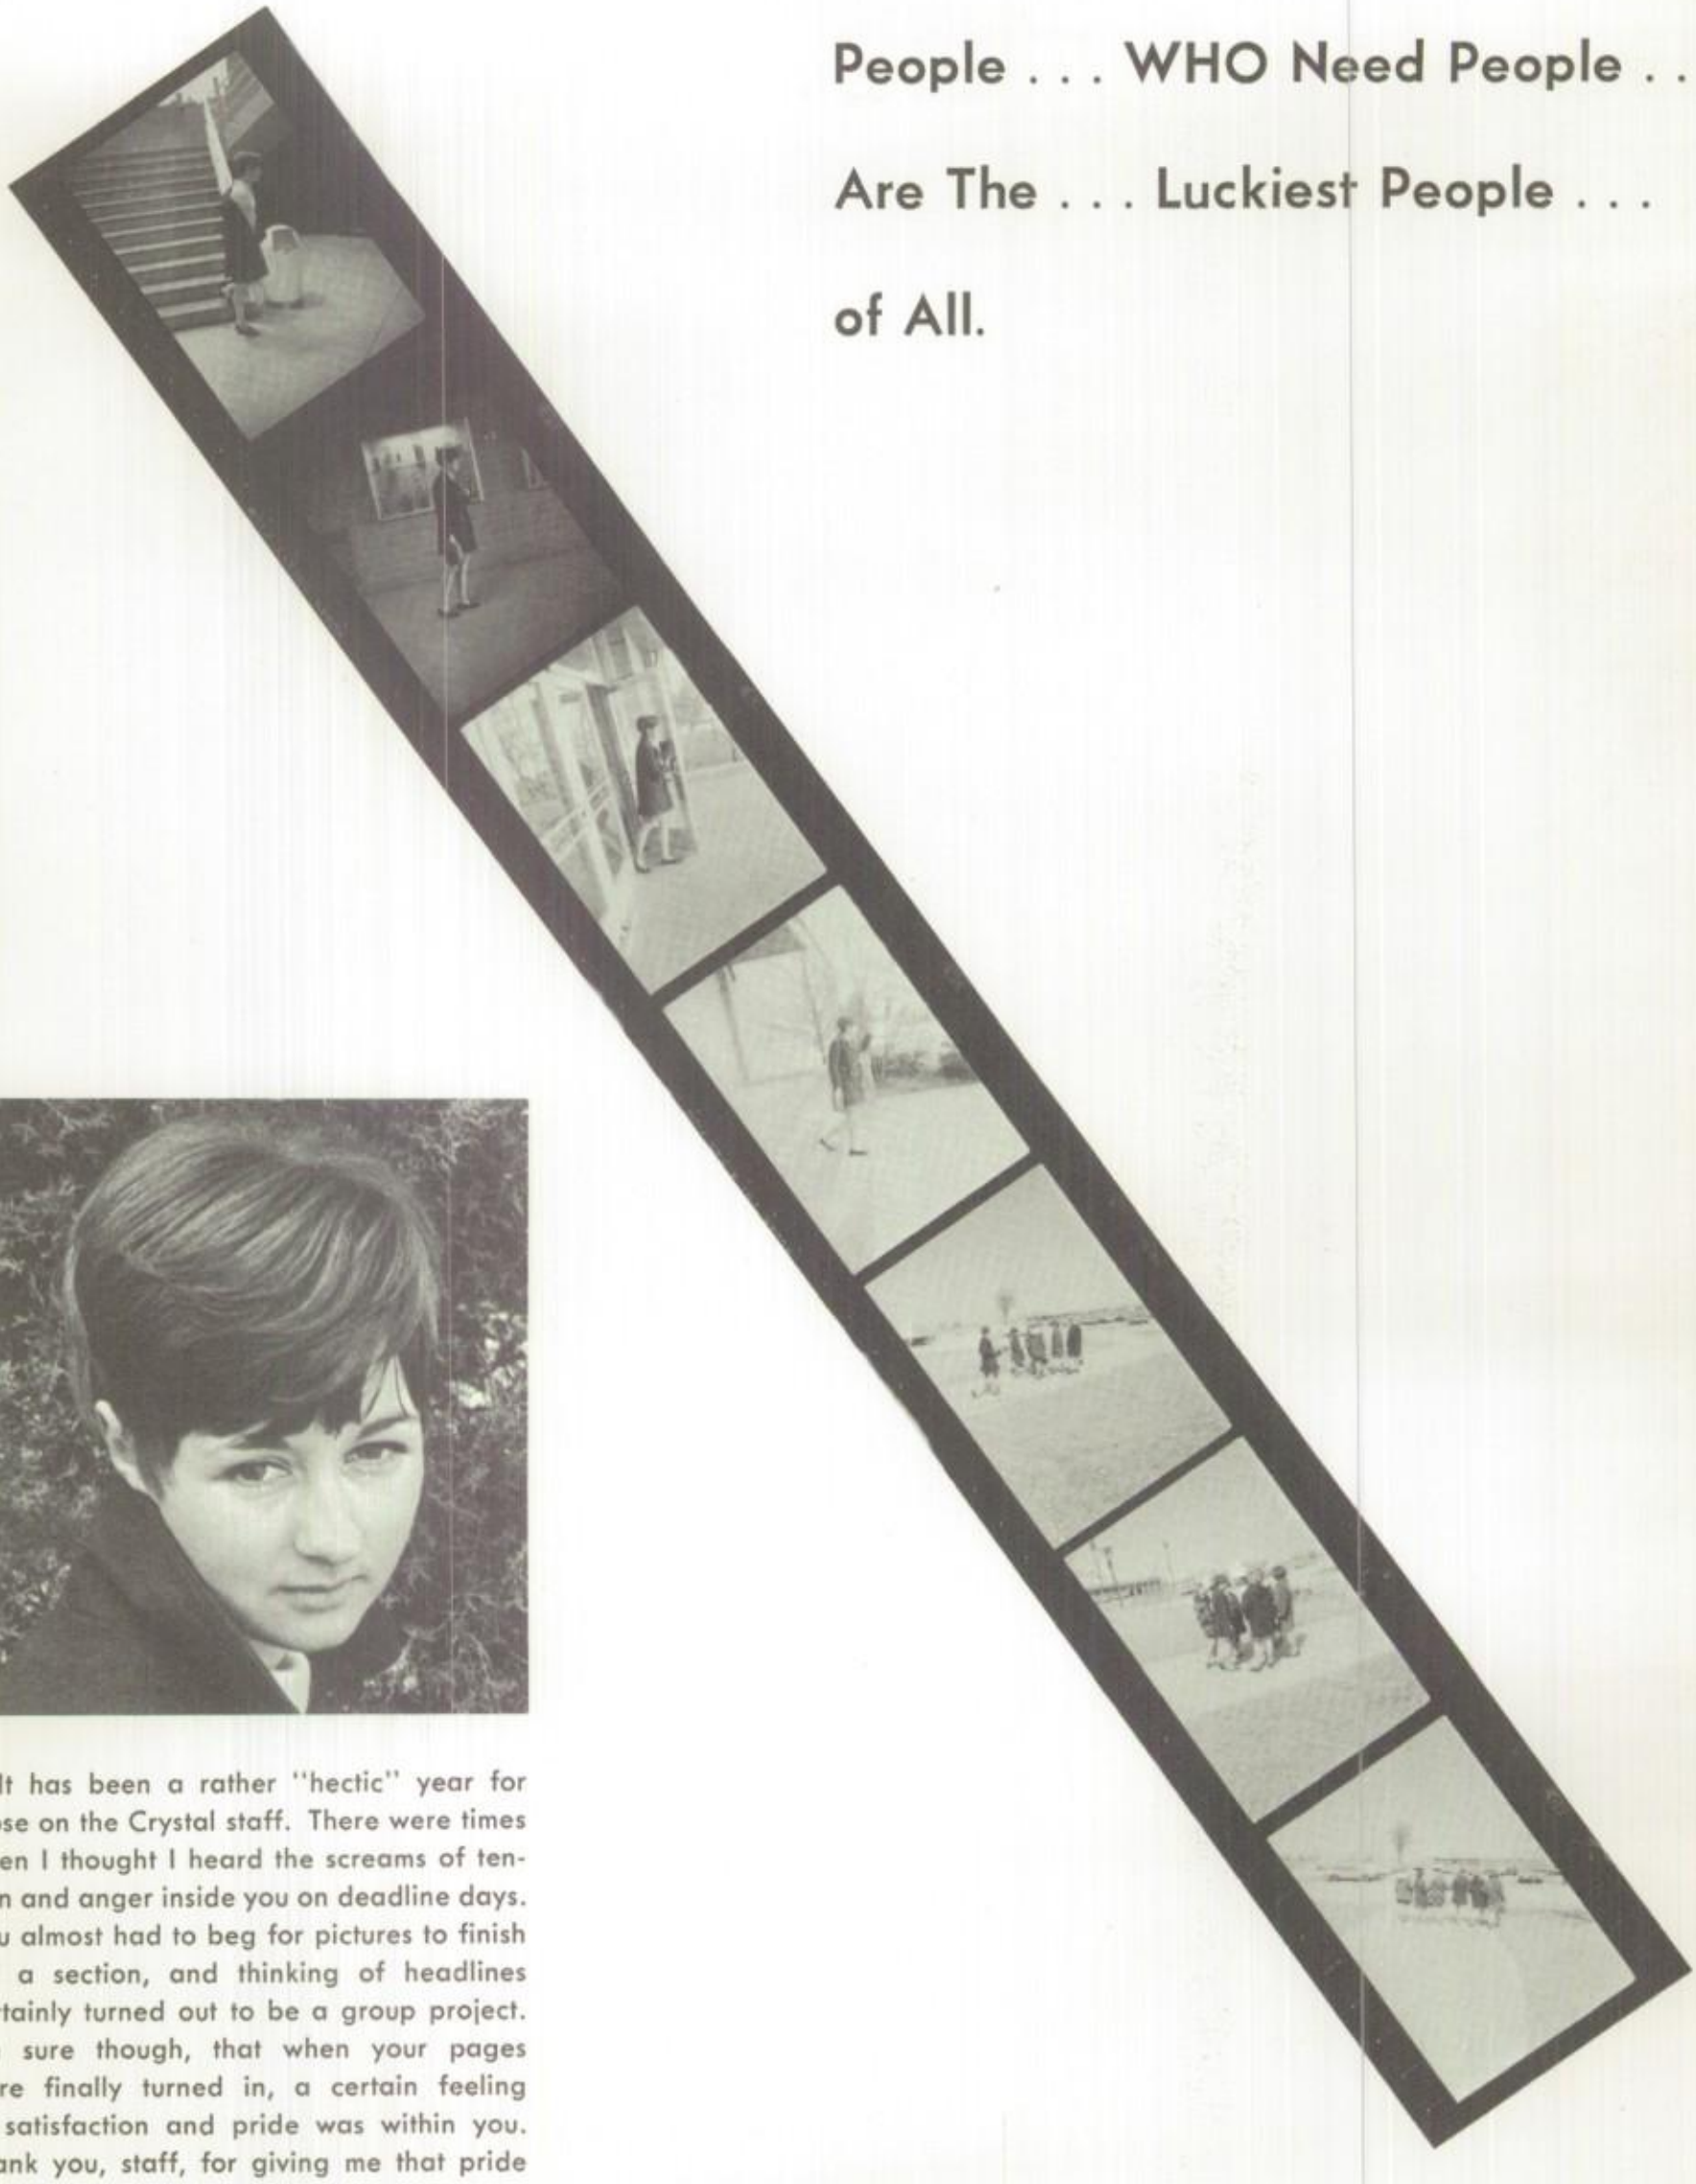
People . . . WHO Need People . . .

Are The . . . Luckiest People . . .

of All.



It has been a rather "hectic" year for those on the Crystal staff. There were times when I thought I heard the screams of tension and anger inside you on deadline days. You almost had to beg for pictures to finish off a section, and thinking of headlines certainly turned out to be a group project. I'm sure though, that when your pages were finally turned in, a certain feeling of satisfaction and pride was within you. Thank you, staff, for giving me that pride also.
